

Kinross Primary School
Skills for Learning, Life and Work Progression

Skill	Second Level					Ways I have developed this
Working with Others	I can listen and follow complex instructions					
	I can voice and justify my opinion confidently, and actively listen to others					
	I can take on a role of responsibility within a group / team					
	I can negotiate with others to reach a compromise					
Enterprise	Using my skills, I can support others to try something new					
	I can plan, design and evaluate something creative					
	I can identify challenges and apply strategies to overcome them					
	- I can identify and select what and how I learn					
Problem Solving	I can cope with change					
	I adopt a growth mindset when faced with a challenge					
	I encourage others to persevere					
	I can set a learning target, work towards achieving it and reflect on my progress					
Leadership	I know the school core values and rules, demonstrate these every day and encourage others to do the same					
	I demonstrate and encourage ambition					
	I attend and lead extra-curricular activities					
	I can take on a recognised leadership role					
Employability	I can use digital technology to plan, design and create					
	I can use digital technology to collaborate with others out with Kinross Primary					
	I can reflect on what skills I am developing, why they are important and identify ways to improve					
	I have experienced the world of work and reflected on the skills required					
Cultural Experiences	I have planned, prepared and performed for an audience					
	I have experienced an arts performance / trip / visitor and can demonstrate the impact of this on my learning					
	I can identify the important cultural landmarks / community links in Kinross and understand how I can contribute to these					
	I understand and can challenge the stereotypes in society
