Near or Far?

My house is near the college

My house is far from the college

There is a supermarket near my house.
Is there a Post Office near hear?
My house

Read the text below and answer the questions that follow with your teacher.

My house is in Bridge Street in Glasgow. It is a small house with a kitchen and a living room downstairs and two bedrooms and one bathroom upstairs. There isn't a garden but there is a big park near the house where my children like to play. I like my house because it is comfortable and clean.

Task A: True or False?
1 It is a big house. True / False
2 The bathroom is downstairs. True / False
3 The park is near the house. True / False

Task B: Answer the questions.
1 Which street is the house in? _____________________________________________
2 Which city is the house in? _____________________________________________
3 How many bedrooms does the house have? _______________________________
4 Is there a garden? _____________________________________________________
5 Why does she like the house? ___________________________________________
Look at the words in the circles and put them in the correct order to make sentences.

1

house
My
small
is

2

is
park
a
There
near

3

house
My
bedrooms
two
has
Write your answers:

Question and Answer Practice

Text Messages
Hi Najma,
Would you like to come to my house for a coffee on Tuesday after class? My house is near the college, so we can walk together. Let me know if that time is OK for you.
From Anna

Hi Anna,
Thank you, that would be nice. See you at College!
Najma

Great! See you on Tuesday.

Hi Anna,
Thanks very much for the coffee on Tuesday. Your home-made cakes were delicious! Next time you can come to my flat 😊 See you next week at College.
Najma

True or False?

1. Najma invited Anna to her house for lunch
2. Anna and Najma are friends
3. Anna’s house is far from the college
4. Anna and Najma took the bus
5. Anna made cakes for Najma
6. Najma wants Anna to come to her flat next time
