

Supporting Armed Forces Children

Duncanrig Secondary school South Lanarkshire Council

Background

There was a requirement to raise the profile of Armed Forces children attending Duncanrig and subsequently across South Lanarkshire. This is to ensure that they obtain the relevant support.

Aims

- Obtain data from Primary schools during transition from P7
- Accurately identify Armed Forces children
- Support for Learning staff to be briefed about the pupils and their specific needs
- Delivery of targeted support for Armed Forces Children

What we did and how it impacted on Armed Forces children and young people

- Identification of Armed Forces Children at an early stage
- Support for Learning staff to obtain relevant training
- Pupils provided with relevant supports

Next Steps

- This pilot is to be extended across the East Kilbride Learning Community
- The data collection and training will then be extended out across the entire South Lanarkshire area
