**LEARNING PATHWAYS FOR GAELIC LEARNER AND MEDIUM EDUCATION**

What are the key improvements required to significantly enhance the GME transition experience for learners and their associated curriculum pathways into secondary education?

- How do we begin to implement these factors?

Opportunities for a comprehensive curriculum experience in secondary GME can be very limited across Scotland. What do you think the national expectation of a curriculum experience should look like both at Broad General and at Senior Phase?

- How do we best plan for this?

Within the context of CfE and senior phase, how do we address the limited national qualifications offered and uptake across our schools?

Gaelic organisations support children and young people in GME with a range of opportunities to enable the use of Gaelic beyond the classroom.

- How would you like these opportunities to be developed further to support raising attainment and achievement?
