

SOLUTION FOCUSED GROUP QUESTIONS

THE ROLE OF LEGISLATION AND GUIDANCE

The new legislation requires local authorities to respond in a balanced and transparent manner to requests for GME.

- How can Bòrd na Gàidhlig ensure that Local Authorities approach the new requirements in a manner that all parties view as progressive locally and nationally?

To what extent is there a case for groupings of local authorities planning and delivering GME and Gaelic Education in partnership?

- How is this best approached if at all?

What is the role of non-statutory partners in the ongoing promotion, planning, and evaluation of Gaelic Education?
