

**SOLUTION FOCUSED GROUP QUESTIONS**

**TEACHER RECRUITMENT AND RETENTION**

How do we best promote Gaelic teaching as an attractive career to young people?

- Apart from the range of supports available already, what other innovations could we introduce to attract new entrants to Gaelic teaching?

A range of different approaches in the planning and delivery of Gaelic initial teacher education programmes are available across Scotland.

To what extent are these approaches successfully achieving the goals of increasing teacher numbers, and, what more can we do to increase the supply of Gaelic teachers in Scotland?

To what extent are the current career pathways for teachers of Gaelic ( from probation onwards ) meeting the needs of the professionals involved as well as schools and authorities?

- What key improvements could be made?
