Table Tennis Tables - Reducing barriers

• We had a performance average of 53.1 compared to 47.7 which is well over 5 marks per pupil. This would take us ‘top of the charts’ on previous years comparative data.

• 8 A’s to 14 A’s - 38% achieved a band.

Growing Mindsets: Empowerment through coaching

The coach is not a problem solver, a teacher, an adviser, an instructor or even an expert: he or she is a sounding board, facilitator... who raises awareness and responsibility (Whitmore, 2015)
Growing Mindsets: Growing the culture of the school

- Resilient, ambitious, reflective learners
- Positive contributions from stakeholders
- Teachers are learners
- Cross faculty collaboration and professional inquiry
- The values and vision of the school is shared by our community
