

# BUALNALUIB

## PRIMARY SCHOOL

ACTIVE AND PROGRESSIVE  
TEACHING APPROACHES  
in numeracy and mathematics  
results in children positively engaged  
in learning and raised attainment

### 1 LEADERSHIP OF CHANGE

#### PARENTAL WORKSHOPS

- well attended -  
Help to understand  
how best to support  
their child's learning

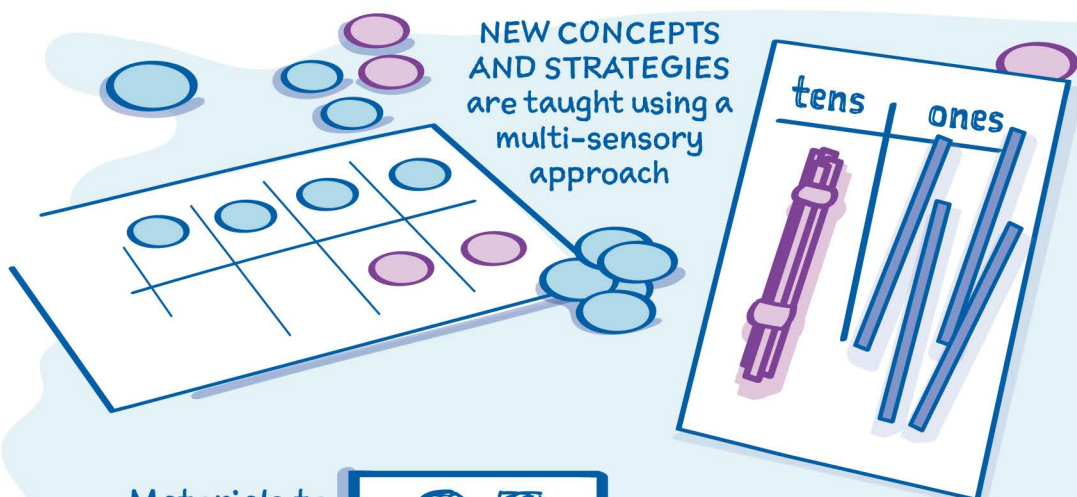

#### STAFF ARE EMPOWERED TO BE CREATIVE

to use practitioner enquiry to  
influence change processes

WELL  
TRAINED  
SUPPORT  
STAFF

NEW CONCEPTS  
AND STRATEGIES  
are taught using a  
multi-sensory  
approach

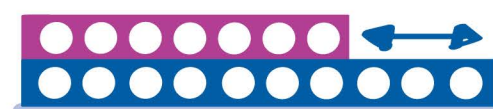

### 2 IMPLEMENTING THE HIGHLAND Numeracy Approach

Materials to  
have a clear  
understanding  
after teaching

ACTIVE AND PROGRESSIVE  
approach to the teaching  
of concepts in numeracy  
and mathematics

EFFECTIVE  
DIFFERENTIATION  
ensuring teaching is  
appropriate for each child

Active learning  
approaches encourage  
INDEPENDENCE  
AND RESPONSIBILITY  
WHILE LEARNING

PUPIL EQUITY FUND  
USED WELL  
TO DEVELOP APPROACHES  
TO THE TEACHING OF  
NUMERACY

### 3 IMPACT

#### In School

Motivated, engaged,  
positive and enjoy  
LEARNING

Assessment shows  
GOOD PROGRESS

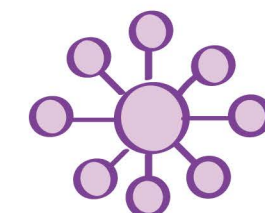

Retention of concepts  
due to continuous and  
reinforced learning

#### Beyond

DELIVERY OF  
CLUSTER TRAINING  
has supported other  
schools to implement  
this approach

A member of staff  
joined the Highland  
Numeracy Steering  
Group
