Dear Parent/Carer

St Bridget's Primary School

In March 2023, Education Scotland published a letter on your child's school. The letter set out a number of areas for improvement, which we agreed with the school and Glasgow City Council. We published a further letter in March 2024.

As requested, Glasgow City Council has now provided us with a report on the school's progress since March 2024.

After reviewing the evidence, we are now confident St Bridget's Primary School has the capacity to continue to improve and we will publish no further reports in relation to the 2023 Education Scotland inspection report. Officers from Glasgow City Council will continue to work with the school to ensure progress continues.
