Dear Parent/Carer

In October 2018, as part of the council's on-going support, officers from The City of Edinburgh Council carried out a review of the school and an inspector from Education Scotland joined the team. Following the visit, The City of Edinburgh Council provided Education Scotland with a report outlining the improvements that were evidenced during the visit. The progress report is available at

After reviewing all of the evidence and in discussion with The City of Edinburgh Council, we are now confident that the school has the capacity to continue to improve. We will therefore make no further visits in connection with the inspection letter of March 2017. As part of its arrangements for reporting to parents on the quality of education, The City of Edinburgh Council will inform parents about the school's progress
