

Inverclyde Academy

Work Placement

We have a range of work placements available to pupils and work closely with local employers to arrange experiences catered towards the develop of pupils' confidence, skills and employability.

Placements on offer include: hospitality, ICT/computer programming, sports, education (nursery, primary and secondary), health-related placements and gardening amongst others.

Accreditation

SQA Work Placement Level 3-6
Level 4 Employability award

Work-Related Learning

There have been various work-related learning taking place in our school, including employer visits, for example to Glasgow airport, Inverclyde Royal Hospital as well as employer supporting curricular initiatives in the school, e.g. Modern Languages in the workplace with S3s, Women into STEM brunches with S2s.
