

The 8 Stages to Support Success

Stage 1

New cross-curricular theme
Our ? World
Staff to decide IDL Big Question

Stage 2

Staff to meet to decide contexts
with the IDL Big Question in mind

Stage 3

Knowledge Harvest to plan 3 - 4 big questions

Stage 4

Select relevant Es & Os
for your class from your allocated list

Stage 5

Plan cross-curricular learning with clear focus
on knowledge, understanding and skills required
to complete IDL – these are key lessons

Stage 6

Planning IDL to allow for personalisation and
choice for learners – say, write, make & do

Stage 7

Integrating cross-curricular learning and IDL
across the 6 - 8 week block. Evidence progress
on CC/IDL website.

Stage 8

Feedback, reflection, celebration and sharing of
new learning and profiling of skills progression
