Dear Parent/Carer

**Heathryburn Primary School and Nursery Class  
Aberdeen City Council**

In September 2023, Education Scotland published a letter, following an Inspection of Heathryburn Primary School and Nursery Class. A further inspection took place in April 2024. The letter set out a number of areas for improvement which we agreed with the school and Aberdeen City Council.

As requested, Aberdeen City Council has now provided us with a report on the school's progress. The progress report is available at [Heathryburn School - News](#).

After reviewing all of the evidence and in discussion with Aberdeen City Council, we are now confident that the school has the capacity to continue to improve. We will therefore make no further visits in connection with the inspection letter of September 2023. As part of its arrangements for reporting to parents on the quality of education, Aberdeen City Council will inform parents about the school's progress.
