Dear Parent/Carer

Meethill School
Aberdeenshire Council

In February 2020, Education Scotland published a letter, following an inspection of Meethill School. A further inspection took place in November 2021 and January 2023. In April 2024, Aberdeenshire Council evaluated the progress made by the school in taking forward the agreed areas for improvement identified in the inspection report. The Council's progress report was shared with Education Scotland and is available online <https://meethill.aberdeenshire.sch.uk/hmie-report/>.

After reviewing the evidence, we are now confident Meethill has the capacity to continue to improve and we will publish no further reports in relation to the 2019 Education Scotland inspection report. Officers from Aberdeenshire Council will continue to work with the school to ensure progress continues.
