

November 2017

Dear Parent/Carer

**Keith Grammar School
Moray Council**

In November 2015, Education Scotland published a letter, following an inspection of Keith Grammar School. We subsequently visited the school and reported to you in February 2017 on the progress made in taking forward improvements.

In September 2017, as part of the council's on-going support, officers from Moray Council carried out a review of the school and inspectors from Education Scotland joined the team. Following the visit, Moray Council provided Education Scotland with a report outlining the improvements that were evidenced during the visit. The progress report is available at <http://www.moray.gov.uk/downloads/file116780.pdf>

After reviewing all of the evidence and in discussion with Moray Council, we are now confident that the school has the capacity to continue to improve. We will therefore make no further visits in connection with the inspection letter of November 2015. As part of it's arrangements for reporting to parents on the quality of education, Moray Council will inform parents about the school's progress.

Carol McDonald
HM Inspector
