

## **Follow-up findings for Career Information, Advice and Guidance services delivered by Skills Development Scotland in Moray**

**Publication date - 11 December 2020**

### **Progress made on the main points for action:**

- The SDS area team should ensure that all targets for service delivery are met.  
  
Satisfactory progress has been made.
- SDS managers should ensure that the area team has sufficient capacity to deliver the full range of career guidance services within the post-school service offer.  
  
Satisfactory progress has been made.
- The local authority should work with SDS managers and should ensure that all secondary school pupils are registered on MyWoW and utilise online resources effectively.  
  
Satisfactory progress has been made.
- The local authority and staff in schools should work with SDS to ensure that both CMS and CES are embedded within the secondary school curriculum.  
  
Satisfactory progress has been made.
