Dear Parent/Carer

Perth High School
Perth and Kinross Council

In January 2019, Education Scotland published a letter, following an inspection of Perth High School. In February 2020, Perth and Kinross Council evaluated the progress made by the school in taking forward the agreed areas for improvement identified in the inspection report. The Council's progress report was shared with Education Scotland and is available online [Perth High School - HMI Progress Report.pdf \(pkc.gov.uk\)](#)

After reviewing the evidence, we are now confident Perth High School has the capacity to continue to improve and we will publish no further reports in relation to the 2019 Education Scotland inspection report. Officers from Perth and Kinross Council will continue to work with the school to ensure progress continues.
