Remit and purposes of the P1 Practitioner Forum
Meeting Structure, Conventions and Open Governance, Pre-tasks and meeting outcomes
Membership Meetings and Themes
- December 10th 2018
 - January 14th 2019
 - February 4th 2019
 - March 11th 2019
- 10.15 **Discussion of themes:**
- THEME 1: The nature and use of Scotland's standardised assessment;
 - THEME 2: What are assessment data good for? What are they *not* good for? Can Scottish assessment data feed holistic, inclusive play-based curriculum?
 - THEME 3: Classroom assessment environments and management; ethics of use in classrooms, schools, local authorities and national levels; fit with planning and improvement
 - THEME 4: Professional Knowledge: language/literacy and mathematics/numeracy as habits of mind for wellbeing & inclusion
- 10.30: **Prof. Gemma Moss (UCL):** Useful evidence and useful knowledge for whom?
10.50: **ACER** – What does SNSA do? How was it constructed?
- 11.10: **COFFEE BREAK**
- 11.30: **Discussion:**
- What has been the experience of the SNSA?
 - Why might people see things differently?
 - What is the potential benefit, usefulness or risks in Scotland's assessment approach at school and class level?
 - What do the conversations with teachers, head teachers, LA and national government need to be about?
- 12.30: **WORKING LUNCH - Recommendations for:**
- Class Teachers
 - Schools
 - Local Authorities
 - Independent bodies (e.g. Education Scotland; GTCS)
 - National Government
- 13.00: **Meeting Ends**
