

PHYSICAL EDUCATION

EARLY LEARNING AND CHILDCARE/
SCHOOL & HOME PARTNERSHIP

What can you do to support your child's learning?

Share their successes

Ask your child what they are learning

Be a role model

Include physical activity in your daily routine

Organisation

Remind your child about PE kit on PE days

What does PE look like in the 21st century?

Ask a member of staff about your child's learning and how you can reinforce that learning at home

Make time...

to enjoy activities with your child. Encourage other family members and friends to join in

Be positive

Speak to your child about the benefits of PE

Link PE to life

Help your child understand how PE can contribute to a healthy lifestyle

Challenge stereotypes

Encourage your child to try a range of activities. PE promotes equality of opportunity across genders in all physical activities and sports

What your child learns in PHYSICAL EDUCATION

- problem solving
- focus & concentration
- decision making
- creativity

COGNITIVE SKILLS

PHYSICAL COMPETENCIES

- kinaesthetic awareness
- balance & control
