Dear Parent/Carer

Hythehill Primary School

In November 2017, Education Scotland published a letter on your child's school. The letter set out a number of areas for improvement, which we agreed with the school and Moray Council. We published a further letter in January 2019.

As requested, Moray Council has now provided us with a report on the school's progress since January 2019. This report was shared with Education Scotland and is available at http://www.moray.gov.uk/moray_schools/page_2199.html.

After reviewing the evidence, and in discussion with Moray Council, we are satisfied that Hythehill Primary School has the capacity to continue to improve and we will publish no further reports in relation to the November 2017 Education Scotland inspection report. Officers from Moray Council will continue to work with the school to ensure progress continues.
