Dear Parent/Carer

**Fallside School
North Lanarkshire Council**

In December 2019 Education Scotland published a letter on your child's school. The letter set out a number of areas for improvement, which we agreed with the school and North Lanarkshire Council. We published a further letter in March 2022. As requested, North Lanarkshire Council has now provided us with a report on the school's progress.

The progress report is available at Fallside School –

After reviewing the evidence, we are now confident Fallside School has the capacity to continue to improve and we will publish no further reports in relation to the December 2019 Education Scotland inspection report. Officers from North Lanarkshire Council will continue to work with the school to ensure progress continues.
