

Young Creatives

Welcome to RSNO Young Creatives, the RSNO's innovative work experience and leadership programme for young musicians and creatives. Join us for 2021/2022 as an RSNO Young Creative to experience what life in a professional orchestra is like – both on stage and behind the scenes.

You can apply to take part as a musician, rehearsing and performing with RSNO musicians, or as a programmer, tackling all things behind the scenes from planning and repertoire choice, to social media. Working as a team, you will plan and perform an orchestral concert in the RSNO centre in Glasgow!

Through the programme you will receive mentoring and coaching from RSNO musicians and staff, online sessions and workshops throughout the year, concert visits to watch the RSNO as well as the opportunity to complete your Silver Arts Award.

RSNO Young Creatives runs over the course of the academic year, beginning in September and finishing in June.
