

As our children and young people grow and develop they will enjoy a wide variety of inspirational learning experiences through Learning for Sustainability. These experiences will help them to flourish and thrive in the 21st century and will empower them to lead positive change in their communities, society and the wider world.

Target 2030
Let's build a movement for change to ensure all learners receive their entitlement to Learning for Sustainability and to help every school and setting become sustainable by 2030.
