

Country by country spread of Covid-19: Coronavirus

Teacher note: This video is available to watch on You Tube (Channel 4 News 12th Feb 2020) <https://youtu.be/ZI0V-OhZYk4>

The questions below may be useful to help learners stay focused during the video or to reflect on the video's contents after they have watched it.

Find out and discuss

- On to which continents did Coronavirus initially spread?
- How do you think it spread around these continents?
- When did the World Health Organisation (WHO) first warn of a possible pandemic?
- When did the WHO officially call it a pandemic?
- How do you think Coronavirus spread from China to the United Kingdom?
- What do you think could be done to limit this spread?
- How would these measures affect people's lives?
- When was the first death from Coronavirus confirmed in the UK?
- How many deaths were confirmed by 12th Feb 2020?

Reflecting on current Scottish Government guidelines

<https://ready.scot/coronavirus>

- Updated medical and scientific findings have informed Scottish Government advice, for example the wearing of masks in enclosed places. If the wearing of masks had been implemented sooner; how do you think this might have impacted the spread?
