

March 2020

Dear Parent/Carer

Johnstone High School

In March 2017, Education Scotland published a letter, following an inspection of Johnstone High School. We visited the school again and reported to you in June 2018 on the progress made in taking forward the areas for improvement.

Renfrewshire Council more recently evaluated the progress made by the school in taking forward the areas for improvement identified in the March 2017 inspection report. The Council's progress report was shared with Education Scotland and is available at <https://www.johnstonehigh.co.uk/uncategorized/johnstone-high-school-progress-report/>

After reviewing the evidence we are now confident Johnstone High School has the capacity to continue to improve and we will publish no further reports in relation to the 2017 Education Scotland inspection report.
