Dear Parent/Carer

Applegrove Primary School

In June 2017, Education Scotland published a letter on your child's school. The letter set out a number of areas for improvement, which we agreed with the school and Moray Council. We published a further letter in September 2018.

As requested, Moray Council has now provided us with a report on the school's progress since September 2018. This report was shared with Education Scotland and is available at http://www.moray.gov.uk/moray_schools/page_2228.html.

After reviewing the evidence, and in discussion with Moray Council, we are satisfied that Applegrove Primary School has the capacity to continue to improve and we will publish no further reports in relation to the June 2017 Education Scotland inspection report. Officers from Moray Council will continue to work with the school to ensure progress continues.
