

# Be #CanalCareful this summer

# Scottish Canals

## STOP

Pause for a moment to  
take in your surroundings

## THINK

Are there any visible hazards?

Could there be any  
hidden dangers?

Is what you are about  
to do safe?

## ACT

Continue only if it  
is safe to do so.

Do you need move to  
allow others to pass?

Is it safe to go into the  
canal to fetch a football?
