Dear Parent/Carer

In April 2017, Education Scotland published a letter on your child's school. The letter set out a number of areas for improvement, which we agreed with the school and Fife Council. We published a further letter In Sept 2018.

As requested, Fife Council has now provided us with a report on the school's progress since September 2018.

After reviewing the evidence, we are now confident Newburgh Primary School has the capacity to continue to improve and we will publish no further reports in relation to the 2017 Education Scotland inspection report. Education Managers from Fife Council will continue to work with the school to ensure progress continues.
