## National e-Learning Offer

- Following a series of ES hosted subject webinars during Term 4 lockdown it was clear that subject networks were sharing resources and wanting to do so more widely. ES undertook to collate these and will continue to do so as long as it is useful and needed
- This is what is referred to in NeLO as the **supported** component. Links to well known resources such as Scholar and BBC are included.
- The first set of supported materials for the following subjects at National Qualification level went live week beginning 2nd November 2020. Over 15000 in all across 16 subjects
- They can be accessed through a single point of access : <https://blogs.glowscotland.org.uk/glowblogs/nationalelearning/resources-2/> . Form on link to allow practitioners to add their resources

- Over the summer of 2020 West Partnership set up West OS and began to commission a series of recorded lessons – know as the **recorded** component of NeLO. Other RICs are now involved with this work.
- Almost 1000 20-minute lessons are available on West OS (largely senior phase and for national qualifications, but also increasing numbers of BGE materials.) These recorded lessons are available through Glow by local authorities signing up for ClickView, free of charge – 28 can now do so.
- Several hundred practitioners from local authorities across Scotland will continue to prepare, quality assure and share materials.

## LOCKDOWN LIVE

Lockdown Live is a programme of live learning sessions, devised in response to the announcement by the Scottish Government on 4th January that school buildings will be closed to most pupils until at least 1st Feb

e-Sgoil is focussed primarily on the delivery of live teaching to pupils across Scotland. As part of the National e-Learning Offer, the following online educational provision is available during the period of remote learning from 11th January, to support Scotland's schools in providing the best teaching/learning possible for their pupils.

We are working with a wide range of partners to bring this varied and high-quality programme to fruition and are grateful to each of them for their expertise and commitment to Scotland's young people.

### LEARNING SESSIONS PROVIDE FOR ALL LEVELS INCLUDING:

- EARLY LEVEL (INCLUDING P1)
- FIRST LEVEL (P2-P4)
- SECOND/THIRD LEVEL (P5-P7)
- THIRD/FOURTH LEVEL (S1-S3)
