

Query Box

Aim: To give participants a chance to contribute ideas and ask questions.

Ask participants to note down any questions, queries, ideas or thoughts about Transform on the slips below. You may give the option for this task to be completed in pairs or groups, or some participants may prefer to complete this individually. Have a sealed, closed or locked box in which they can insert their query into. Think of how you might decorate this box; make it more attractive, special or relevant to your Transform. You may give participants this at the end of the evening as an exit pass, e.g. "Drop your query in the box as you exit."
