Careers in  
food & drink  
**Where do  
you fit in?**

**fdf** food & drink  
federation  
passionate about food & drink  
Scotland

Supported by:

These are just a flavour of some of the many jobs that go into making the food and drink products we all enjoy. Some of the many other roles include: **Chief Executives** who oversee the entire business, **HR Managers** who make sure companies have staff with all the right skills and **Administrators** who support teams to make sure that everything runs smoothly.
