Dear Parent/Carer

**Clarkston Primary School and Nursery Class  
North Lanarkshire Council**

In August 2017 Education Scotland published a letter on your child's school. The letter set out a number of areas for improvement, which we agreed with the school and North Lanarkshire Council. We published further letters in September 2018, September 2020 and December 2021.

As requested, North Lanarkshire Council has now provided us with a report on the school's progress. The progress report is available in the [Clarkston Primary School and Nursery Class School Handbook \(glowscotland.org.uk\)](https://www.glowscotland.org.uk)

After reviewing the evidence, we are now confident Clarkston Primary School and Nursery Class has the capacity to continue to improve and we will publish no further reports in relation to the 2017 Education Scotland inspection report.

Officers from North Lanarkshire Council will continue to work with the school to ensure progress continues.
