Dear Parent/Carer

**Clydeview School**  
**North Lanarkshire Council**

In February 2019, Education Scotland published a letter, following an inspection of Clydeview School. A further inspection took place in December 2019, December 2021 and February 2023. In April 2024, North Lanarkshire Council evaluated the progress made by the school in taking forward the agreed areas for improvement identified in the inspection report. The Council's progress report was shared with Education Scotland and is available on the school's website: [HMle – Follow Up Inspection Report \(April/May 2024\) | \(glowscotland.org.uk\)](https://www.glowscotland.org.uk/HMle-Follow-Up-Inspection-Report-April-May-2024)

After reviewing the evidence, we are now confident that Clydeview School has the capacity to continue to improve and we will publish no further reports in relation to the 2019 Education Scotland inspection report. Officers from North Lanarkshire Council will continue to work with the school to ensure progress continues.
