Opportunities for personal achievement

Interdisciplinary Learning

Ethos and life of the school as a community

Curriculum areas and subjects

The Curriculum
‘the totality of all that is planned for children and young people throughout their education’
Learning across the four contexts at Mossend PS & NC – week commencing 20th April 2020

Opportunities for personal achievement

We had record numbers of children join us for Story and Quiz developing their comprehension and ICT Skills in typing answers.

All our Super Stars are recognised at our weekly Super Star Assembly where we come together to identify Star Writers for the Week and our overall Super Star!

Interdisciplinary Learning

Our Timetable actively encourages all learners to take part in daily Fitness using Joe Wicks, Jump Start Johnny and fitness sessions provided by The Time Capsule.

Pupils and Staff accepted the challenge to design and create their own Fort!

Curriculum areas and subjects

Using the Hot and Cold Colours Wheel, our learners created their own pieces of Artwork.

The Curriculum
‘the totality of all that is planned for children and young people throughout their education’

This amazing Primary 1 Pupil has been having Movie Nights with children in her street and even delivered the popcorn for everyone to enjoy!

Ethos and life of the school as a community
Learning across the four contexts at Mossend PS & NC – week commencing 27th April 2020

Opportunities for personal achievement

Some of our nursery children used their knowledge of how to make snacks to create their own Silly Sandwiches!

All chuffed with being Star Writer!

Using skills to bake and decorate a cake.

Interdisciplinary Learning

Pupils accepted the challenge to design and create their own binoculars!

Case Notes and DNA from Whodunnit (Literacy & Sciences).

Concrete, Pictorial & Abstract representations of the number 7!

Our Parent Council Spring Disco went ahead. See the link below...

https://twitter.com/i/status/1253413492712824835

Saying thank you to our Hero NHS Workers using skills taught from Arts and Crafts.

The Curriculum

‘the totality of all that is planned for children and young people throughout their education’

Ethos and life of the school as a community

Curriculum areas and subjects
Learning across the four contexts at Mossend PS & NC – week commencing 4th May 2020

Opportunities for personal achievement

Investigating outdoors to create amazing pictures and models.

Pupils sharing their own Arts & Crafts Fidget Toys using paper and glue.

Pupils accepted the challenge to design and create their paperchain caterpillars – great job!

The Curriculum
‘the totality of all that is planned for children and young people throughout their education’

Ethos and life of the school as a community

Checking in on the HWB of our children using Emotion Works.

Parents thanking staff of MPS linked to Arts & Crafts.

Celebrating VE Day saying, ‘Thank You!’ to all of our heroes!

Interdisciplinary Learning

P1 – 3 Taught Writing linked to Star Wars!

P4 – 7 Taught wiring with a focus on adjectives.

R2D2 Technologies task linked to Star Wars.
Opportunities for personal achievement

Using baking skills to bake and decorate a cake for the very first time.

Creating & Designing a tank like Uncle Jamie’s Tank.

Achieving an Elite Certificate linked to Studyladder.

The Curriculum
‘the totality of all that is planned for children and young people throughout their education’

Creating Calm Down Jars linked to Emotion Works.

Creating & Designing Penny Spinners.

Designing a carriage for Cinderella linked to Story & Quiz

Sharing Cinquain Poems for our Special Ones.

Instructions of how to do our Escape Rooms.

P1-3 Taught Writing linked to Jack and the Beanstalk.

Ethos and life of the school as a community

Curriculum areas and subjects

Interdisciplinary Learning
Opportunities for personal achievement

Nursery children creating and designing their own butterflies.

Recreating our cancelled London Trip.

Interdisciplinary Learning

P4-7 IDL designing own flag for the Mossend Olympics.

Designing Golden Tickets for P1-3 IDL.

The Curriculum
‘the totality of all that is planned for children and young people throughout their education’

Resource Giveaway with Holy Family PS.

One Family in our community collected and decorated stones for families in our Mossend Community to find when they are out for their walks.

Thanking our Staff.

Our P1-3 Number Ninjas shared their different arrays of the numbers 9, 12 & 14.

Ethos and life of the school as a community

Curriculum areas and subjects
Opportunities for personal achievement

- Completing a very first Scavenger Hunt in the garden.
- Our nursery children are continuing to create and design silly sandwiches.
- One Primary 6 pupil made their own stuffed crust pepperoni pizza for the very first time using skills from Cook School and previous Go for Green Treats.

Ethos and life of the school as a community

- Resource Giveaway – our Chair Person of the Parent Council helped the community by distributing Learning Packs from the school gate while observing Social Distancing.
- More painted stones hid all over Mossend and the surrounding area for families to find when they are out for daily exercise.
- Using Emotion Works, creating self talk/positive flowers to help them feel the emotion of joy.

Interdisciplinary Learning

- Creating and designing a new sweet for Willie Wonka. Thinking about exciting name, persuasive packaging and cool powers!
- Using outdoors and the Olympics IDL to keep active and agile.
- In Art & Design, children created their very own Geometric Leaf Art designs using a variety of shapes and colours.
- The Magic Number. Children all displaying their understanding using different arrays.

The Curriculum

‘the totality of all that is planned for children and young people throughout their education’

- Curriculum areas and subjects
Learning across the four contexts during Home Learning 2020

**Opportunities for personal achievement**

- Learning how to draw handprint animals, which I made into cards and sent to my family.
- As part of Life Skills, baking Chocolate Chip Cookies, Rocky Road and my Dad’s birthday cake.

**Interdisciplinary Learning**

- Learning how to use construction tools to make a wooden bench with my Dad.
- Learning about how to find ‘Equivalent Fractions’.
- Creating an advert for my favourite toy using persuasive language.

**Ethos and life of the school as a community**

- Saying ‘Thank You’ to NHS workers and SSS staff.
- Taking part in the SSS Annual Easter Egg competition.

**Curriculum areas and subjects**

- Introducing Design a Friend Dolls.
- Introducing Flathead bobbin doll making project.
Learning across the four contexts @ DunblanePrimary

**Opportunities for personal achievement**

Hannah is tired tonight - has had a busy, creative day - but she is stoked as her new book came (amazon self publish, Non profit) ☺️ xx

Dunblane Primary @DunblanePrimary · May 5
Today one of our P3 pupils has been a super scientist! She has been growing crystals and made this fabulous video to share her learning.

**Interdisciplinary Learning**

Another week of learning in P2/3. From cooking, planting, painting to making a wormery! 🍳🌱🎨

Dunblane Primary @DunblanePrimary · May 5
A whole more fantastic raft designs from our first STEM challenge. Keep your photos coming everyone. #STEM #CreativeMinds #HomemadeLearning

**Ethos and life of the school as a community**

One of our families used this very creative way to spell out “thank you” to our key workers @NHSForthValley #InThisTogether

When you can’t take your Gran to afternoon tea, take afternoon tea to your Gran! @DunblanePrimary @JapanKitchen #JuniorMasterChef

These pupils were measuring out water in buckets to make sure they would balance on our home made scales! #mathsaction #HomeLearningUK

**Curriculum areas and subject**

Some more pictures of reading dens being sent to Mrs Allan! Great to see how many of you are finding special places at home to relax with a good book! #ReadingFromHome

The Curriculum

‘the totality of all that is planned for children and young people throughout their education’
Outdoor Learning across the four contexts

Opportunities for personal achievement

Children at all levels can engage in a variety of awards including:
- RSPB Wild Challenge
- Heritage Hero Award
- John Muir Award
- Gardening Award
- Duke of Edinburgh Award

Find out more [https://blogs.glowscotland.org.uk/ea/learningoutdoorssupportteam/home/learning-at-home/](https://blogs.glowscotland.org.uk/ea/learningoutdoorssupportteam/home/learning-at-home/)

Interdisciplinary Learning

Books are a great way to encourage IDL

- The Owl who was afraid of the dark [https://blogs.glowscotland.org.uk/ea/learningoutdoorssupportteam/the-owl-who-was-afraid-of-the-dark/](https://blogs.glowscotland.org.uk/ea/learningoutdoorssupportteam/the-owl-who-was-afraid-of-the-dark/)

The Curriculum

‘the totality of all that is planned for children and young people throughout their education’

Ethos and life of the school as a community

Pupils at Park Special School co-constructing their residential experience [https://learningaway.org.uk/case-studies/importance-learning-park-school/](https://learningaway.org.uk/case-studies/importance-learning-park-school/)

Curriculum areas and subjects

Feel good with Health and Wellbeing activities linked to some great books [https://blogs.glowscotland.org.uk/ea/learningoutdoorssupportteam/health-and-wellbeing/](https://blogs.glowscotland.org.uk/ea/learningoutdoorssupportteam/health-and-wellbeing/)
Outdoor Learning across the four contexts

Opportunities for personal achievement

- Heritage Hero Awards
- Woodlands Tree Award
- RSPB Wild Challenge
- John Muir Award
- Duke of Edinburgh Award
- NICAS/NIBAS (National Climbing Awards)
- JASS/Natural Connections (example of LA awards)
- Paddlesport Awards
- National Navigation Award Scheme
- Rural Skills training
- Caley Garden Award (Caledonian Horticultural Society)
- Go Mountain Biking
- Bikeability

- Pupil involvement in planning and procurement decisions
- Connecting Classrooms
- School Sleepouts/Sleepins
- Brilliant Residentials
- School year planned around international and local sustainability calendar
- Regular and meaningful contact with local care homes (resident involvement in HH projects, cooking and sharing of food....)
- Progression so that projects are not one off events but a commitment to continued development and change
- Family awards (see Wider Achievement above)
- Learning in Local Greenspace
- Engagement in SDG’s throughout school and community

Ethos and life of the school as a community

Interdisciplinary Learning

- Novel topics based on books with LfS/environmental theme
- Wider Achievements ie RSPB, Heritage Heroes, John Muir
- Pupil involvement/lead in planning and implementing projects both within school and within wider community (e.g. planning and maintaining wildlife areas, involvement in community campaigns such as litter, traffic, heritage, social)
- Whole school topics on SDGs eg Logan Primary
- Growing projects across school community
- Eco Schools Green Flag
- Duke of Edinburgh award taught through curriculum ie expedition training – First Aid=HWB, cooking= HE, Walking=PE, equipment=TCH

The Curriculum

‘the totality of all that is planned for children and young people throughout their education’

- HWB – Road safety, risk assessments, sustainable travel plans, physical activity, healthy lifestyles.
- Numeracy – maths is everywhere
- Social Studies – place pedagogy, history of local area ie Heritage Award
- SCN – Biodiversity and Interdependence
- RME – we can all have a positive impact, respect for others
- Literacy – book studies ie The Lorax
- Expressive arts – drama, storytelling, land art, music, sound maps
- PE/PA – accessing outdoor spaces for sport and physical activity
- TCH – wide range of lessons on technology in the outdoors for example, den building and, investigating materials, helping to care for the environment, building design projects linked to sustainability.

Curriculum areas and subjects
Learning across the four contexts at Laxdale Primary School

Opportunities for personal achievement

Helping Shen/Grandpa in the croft by looking after a new born lamb.

Creating a garden plot as part of Hi5 Accredited Youth Award

Saying thanks to the local NHS and key workers.

5k Run for Heroes fundraiser

Interdisciplinary Learning

Learning from Grandparents about how transport has changed over the generations.

Learning how to plant potatoes with help from big brother!

The Curriculum
‘the totality of all that is planned for children and young people throughout their education’

Harry, along with his dad, chose 10 tools from the garage to help him learn the "Stories of 10".

Science experiment to create ‘fireworks in a glass’ - oil is less dense than water.

Ethos and life of the school as a community

Curriculum areas and subjects
Learning across the four contexts in Numeracy & Mathematics

Opportunities for personal achievement

- Challenges using online numeracy packages or apps.

Science – study of current worldwide issues e.g. health, traffic, pollution - study the statistics, trends, robustness of available data and draw conclusions.

Social Studies/Financial Education – look at the current economic climate and financial implications nationally on families and services, involvement in planning of family meals/shopping budget using online shopping sites for prices. Compare deals and decide best value.

Food and Health/Science – baking/cooking - measuring ingredients, calculating cooking times, following sequences, ratios. Look at nutritional content of food and the impact it has on the body.

Art – study of artist M.C. Escher (tessellations) Art/RME – Study of Islamic Art

Interdisciplinary Learning

- Twitter – parents and staff sharing numeracy & mathematics home experiences (tag @edscot_maths)
- Promotion of Parentzone Scotland Maths resources
- [National Numeracy Day](https://nationalnumeracyday.org/) resources – targeted at adults to support their numeracy skills
- [I am a Mathematician](https://www.shapes-in-our-world.org.uk/) – maths resources for families to learn together
- Local initiatives such as creating rainbows for windows, raising money for charity – looking at the maths involved, e.g. counting the rainbows, calculating totals and percentages.

Ethos and life of the school as a community

Curriculum areas and subjects

Outdoor learning ideas (during daily walks - some can be adapted for indoor use)
- number/shape/symmetry/pattern hunts
- data collection, e.g. collect, leaves, pine cones, etc and create a graph
- calculate speed/distance/time of walks or cycles.

Count items/steps found within the household, arrange items in size order when tidying, investigate different coins and talk about their value, discuss time throughout the day (particularly at mealtimes and bedtime).

Estimate and measure items around the household (length/weight/capacity), calculate durations of time it takes to complete activities.

Measure dimensions of a room/building and create a scaled drawing, investigate chance and uncertainty using dice and coins.

Games – board, dice, card, domino and strategy games which encourage calculations and problem solving e.g. snakes and ladders, countdown, suduko etc.

Challenges using online numeracy packages or apps.
Learning across the four contexts @WLInclusionandwellbeingservice

**Opportunities for personal achievement**

Learners baking at home using skills from school
Learners taking care of their HWB by accessing dedicated IWS personal fitness Teams Channel
Pupils learning new chords on keyboard

**Ethos and life of the school as a community**

Weekly work inspiration activity, sharing workplace visits from the 19/20 session and building towards a virtual careers event
Skype video calls to support learners with Hearing Impairments

**Interdisciplinary Learning**

Pupils gardening at home – building walls, slabbing
Art challenge – what can you create using resources at home?

The Curriculum
‘the totality of all that is planned for children and young people throughout their education’

“Just had a wee picture off one of my P1’s doing his numbers. He is a wee lad who couldn’t do any of this at school and at home he is now putting the even numbers in order. So pleased for him and Mum.”

Pupil and staff engagement in online British Sign Language training

**Curriculum areas and subjects**
**Opportunities for personal achievement**

- PDSA Petwise Award for primary learners
- Learners baking at home using skills from school
- Weekly text messages recognising achievement for targeted pupils
- Continuous dialogue with families to ensure health and wellbeing and personal achievements through virtual learning
- Learners taking care of their HWB through running/fitness – dedicated IWS personal fitness Teams channel for exercises
- Pupils learning new chords on keyboard
- Offering bespoke onsite skills based supports for those struggling during the lockdown (gardening, car valeting)

**Pupil sending in writing**

> “Just had a wee picture off one of my P1’s doing his numbers he is a wee lad who couldn't do any of this at school and at home he is now putting the even numbers in order. So pleased for him and mum.”

**Ethos and life of the school as a community**

**Interdisciplinary Learning**

- Pupils gardening at home – building walls, slabbing
- Interactive assemblies
- Life skills groups
- Outdoor learning project
- Art project being completed/problem solved using resources at home
- Kids Gone Wild online learning
- Lego group sessions
- Design your own Theme Park
- Dragons Den
- DYW weekly focus tasks via Sway

**Curriculum areas and subjects**

**The Curriculum**

> ‘the totality of all that is planned for children and young people throughout their education’

**7 days of cheer to celebrate success**

- Weekly work inspiration activity, sharing workplace visits from the 19/20 session and building towards a virtual careers event
- Online assemblies and online awards ceremony
- Links with foodbanks – food parcels arranged for vulnerable families
- Vulnerable learners check-in – daily – personal connection
- Parental interaction – listening and offering support daily/weekly
- Sharing in everyone's success on Teams in online staffroom with daily posts
- Staff nominate a colleague fortnightly for recognition of support

**Preparation of our GIRFEC Lifegrids with our learners to capture successes from the lockdown and plan for the future**

**Create your own business** – plans underway!
