

Follow-up findings for Career Information, Advice and Guidance services delivered by Skills Development Scotland in Angus

Publication date – 19 March 2021

Progress made on the main points for action:

- SDS and the local authority should continue to work together to improve positive destinations for young people in schools where their outcomes are lower than the national average.

Satisfactory progress has been made.

- SDS, the local authority and staff in schools should continue to work together to fully implement the entitlements from the CES in school activities and the development of school customers' CMS.

Satisfactory progress has been made.

- SDS staff should ensure that their reflective practice consistently delivers a high standard and quality of service in their engagements with all customers.

Satisfactory progress has been made.
