Dear Parent/Carer

Slamannan Primary School

In April 2018, Education Scotland published a letter on your child's school. The letter set out a number of areas for improvement, which we agreed with the school and Falkirk Council. We published further letters in June 2019 and January 2022.

As requested, Falkirk Council has now provided us with a report on the school's progress since January 2022. This report was shared with Education Scotland.

After reviewing the evidence, we are now confident Slamannan Primary School has the capacity to continue to improve and we will publish no further reports in relation to the April 2018 Education Scotland inspection report. Officers from Falkirk Council will continue to work with the school to ensure progress continues.
