

## An overview of support for COP26

A range of resources are available via the National e-Learning Offer (NeLO) to support learners exploring sustainability in preparation for COP26 and beyond. Visit the [NeLO search page](#) to view the live sessions available via e-Sgoil, the recorded lessons from West OS and the supported resources which can be used in school and settings or during any further periods of remote learning or isolation.

	<i><b>What is this resource?</b></i>	<i><b>Who is this for?</b></i>	<i><b>How do I access it?</b></i>
