Dear Parent/Carer

**Riverbrae School
Renfrewshire Council**

In April 2019 Education Scotland published a letter on your child's school. The letter set out a number of areas for improvement, which we agreed with the school and Renfrewshire Council. We published a further letter in March 2022. As requested, Renfrewshire Council has now provided us with a report on the school's progress.

The progress report is available at–

After reviewing the evidence, we are now confident Riverbrae School has the capacity to continue to improve and we will publish no further reports in relation to the April 2019 Education Scotland inspection report. Officers from Renfrewshire Council will continue to work with the school to ensure progress continues.
