Dear Parent/Carer

**Auchtertyre Primary School and Nursery Class
The Highland Council**

In October 2018 Education Scotland published a letter on your child's school. The letter set out a number of areas for improvement, which we agreed with the school and The Highland Council. We published further letters in January 2021 and January 2022.

As requested, The Highland Council has now provided us with a report on the school's progress. The progress report is available at

After reviewing the evidence, we are now confident Auchtertyre Primary School and Nursery Class has the capacity to continue to improve and we will publish no further reports in relation to the 2018 Education Scotland inspection report.

Officers from The Highland Council will continue to work with the school to ensure progress continues.
