Bankton Primary School

Parental Feedback from Family Learning Workshops

“The sessions have been very useful to understand how they learn and how parents can use the same processes and tools to help learn at home. Thank you.”

“Great to see some of the strategies used in class. Lovely to see the kids involved in this also.”

“Great to see exactly what it is the kids are doing – he doesn’t always explain this to us! Also like the fact these groups focus on making it fun.”

“Found sessions really useful for tips at home.”

“Great information, a very useful class, helps both my boys.”

“For my kid this classes are very helpful, he like very much and help me.”

“Makes a lot of sense of what I heard today on how they sound, blend words and sounds. Would love 1:1 sessions in future to help with not only Baillie’s confidence by my confidence.”

“This has been very valuable to myself to help support Rachel in her learning. Lots of ideas and strategies to use to help her with her reading / to pass onto her mum too 😊”

“Very interesting session, really good to understand what my boy is learning in class and very useful to know. Helps me engage with him so I’m able to help, we can learn together.”
